

WILLIAM F. MILLER.

MAY 7, 1884.—Laid on the table and ordered to be printed.

Mr. MORRILL, from the Committee on Invalid Pensions, submitted the following

R E P O R T :

[To accompany bill H. R. 2101.]

The Committee on Invalid Pensions, to whom was referred the bill (H. R. 2101) granting an increase of pension to William F. Miller, submit the following report :

The committee have carefully examined the papers submitted in this case, and find that claimant has received a pension since 1863, commencing at \$8 per month, and since increased to \$18. We can find nothing in the evidence submitted to indicate that any injustice has been done by the Pension Office in its ratings in this case, and must therefore report adversely.
